TUESDAY EVENING, APRIL 5, 1904. Bombarding Port Arthur.

Port Arthur was again bombarded April 3, but no authentic particulars have been received concerning the at-The Russians are strongly fortifying There's smartness in sively mined, and twelve stone-laden junks are ready for sinking at the entrance to the river on a moment's notice.

The guns of the Russian gunboat

Sivoutch have been reshipped. Two thousand Chinese refugees are leaving. There are no signs of either the Russian or Japanese fleet.

A letter received at Shaughai from Koba Laranger the Laranger the Laranger the Larange A letter received at Shanghai from Kobe, Japan, says the Japanese government has 260,000 troops in motion and fully 60,000 more under arms, in garrisons and at the depots. These numbers are exclusive of the Third reserves, numbering 120,000, which have not been called to the colors. The exact numbers of troops which have left Japan for their various destinations are not known, but the entire first army has

been landed and has established itself

in northwestern Korea, with its main

base at Chinampho. base at Chinampho.

The Japanese general staff still carefully guards the plan of campaign, but it is generally believed that it will operate three armies, each nominally numbering 100,000 men, the second army landing west of the Yalu river and the third army east of Niuchwang. The landing of the latter two armies will be easily accomplished, for the light cruiser squadrons can protect both movements.

It is thought that the landing of a heavy Japanese force west of the mouth of the Yalu will force the Russians to abandon the fortifications which they que been erecting north of the Yalu for the purpose of opposing the crossing of the first army of Japan from Korea. It is also anticipated that the three

Japanese forces will operate in conjunction, the third army swinging eastward from Niuchwang, seizing or cutting the railroad and then engaging in a turning movement against the main Russian po-

The Japanese are confident that the Russians will be unable to transport sup-plies sufficient to maintain in Manchuria a force larger than 300,000 men. The heavy detachments necessary to guard the railroad and supply bases will, it is claimed, reduce the Russian fighting force to about 200,000 men.

The Japanese are requisitioning thousands of horses and it is probable that a considerable detachment of cavalry will accompany each army. Though the horses of the Japanese cavalry seem in-ferior to those of the Russians the Japanese officers say they will satisfactorily accomplish the work planned for

Much Japanese artillery is departing for the front. The guns seem light, but it is believed that the Japanese have a number of heavy batteries equal in range to the best European field artillery. Japan also possesses a large number of excellent mountain batteries which in a rough country will have a distinct advantage over the Russians.

It seems certain that Vice Admiral Togo's failure to effectually dispose of the Russian fleet at Port Arthur has delayed the Japanese land operations.

A general thaw is now proceeding in Korea and Manchuria, rendering the country roads impassable and making it impossible to conduct general military operations until the ground hardens.

How to Ward Off an Attack of Rheu matism.

"For years when spring time came on and I went into gardening, I was sure to have an attack of rheumatism and every attack was more severe than the preceding one," says Josie McDonald, of Man, Logan county, West Va. "I tried everything with no relief whatever, until I procured a bottle of Chamberlain's Pain Balm, and the first applications are described by the first specific and the first applications. tion gave me ease, and before the first bottle was used I felt like a new person E ARE READY with an unusual-ly large line of all the latest de-Pain Balm in the house, and when I feel any symptoms of a return I soon drive it away with one or two applications of this liniment. A Cure for Headache.

A Cure for Headache.

Any man, woman or child suffering from headache, billousness or a dull, drowsy feeling should take one or two of DeWitt's Little Early Risers night and morning. These famous little pills are famous because they are a tonic as well as a pill. While they cleanse the system they strengthen and rebuild it by their tonic effect upon the liver and bowels. Sold by all druggists.

Robbed the Grave.

A startling incident is narrated by John Oliver, of Philadelphia, as follows: "I was in an awful condition. My skin was almost yellow, eyes sunken, tongue coaled, pain continually in back and sides, no appetite, growing weaker day by day. Three physicians had given me up. Then I was advised to use Electric Biners; to my great joy the first bottle made a decided improvement. I continued their use for three weeks, and am now a well man. I know they robbed the grave of another victim." No one should fail to try them. Only 50c, guaranteed at E. S. Leadbeater & Sons' drug store.
